This **STORY** *is ours to hold and to truly relish*

The embossed covers of this book house an important chapter in the story of Arnold High. Here is found a pictorial record of all the colorful events of the year 1953-54. Participating in these events, students and teachers at work and play smile out from the following pages. These are the people who have dreamed, planned, and toiled together, each doing his part to make the past year a successful one.

Group pictures of the members of each activity, in any of which every student may claim membership, give some idea of the social life of the students at Arnold. In this review is also given an accurate account of all the athletic contests of the year.

We sincerely hope that in the contents of this book you may find many pleasurable moments recalled to life. Truly, in every aspect, this volume is a treasure of memories meant to live forever.

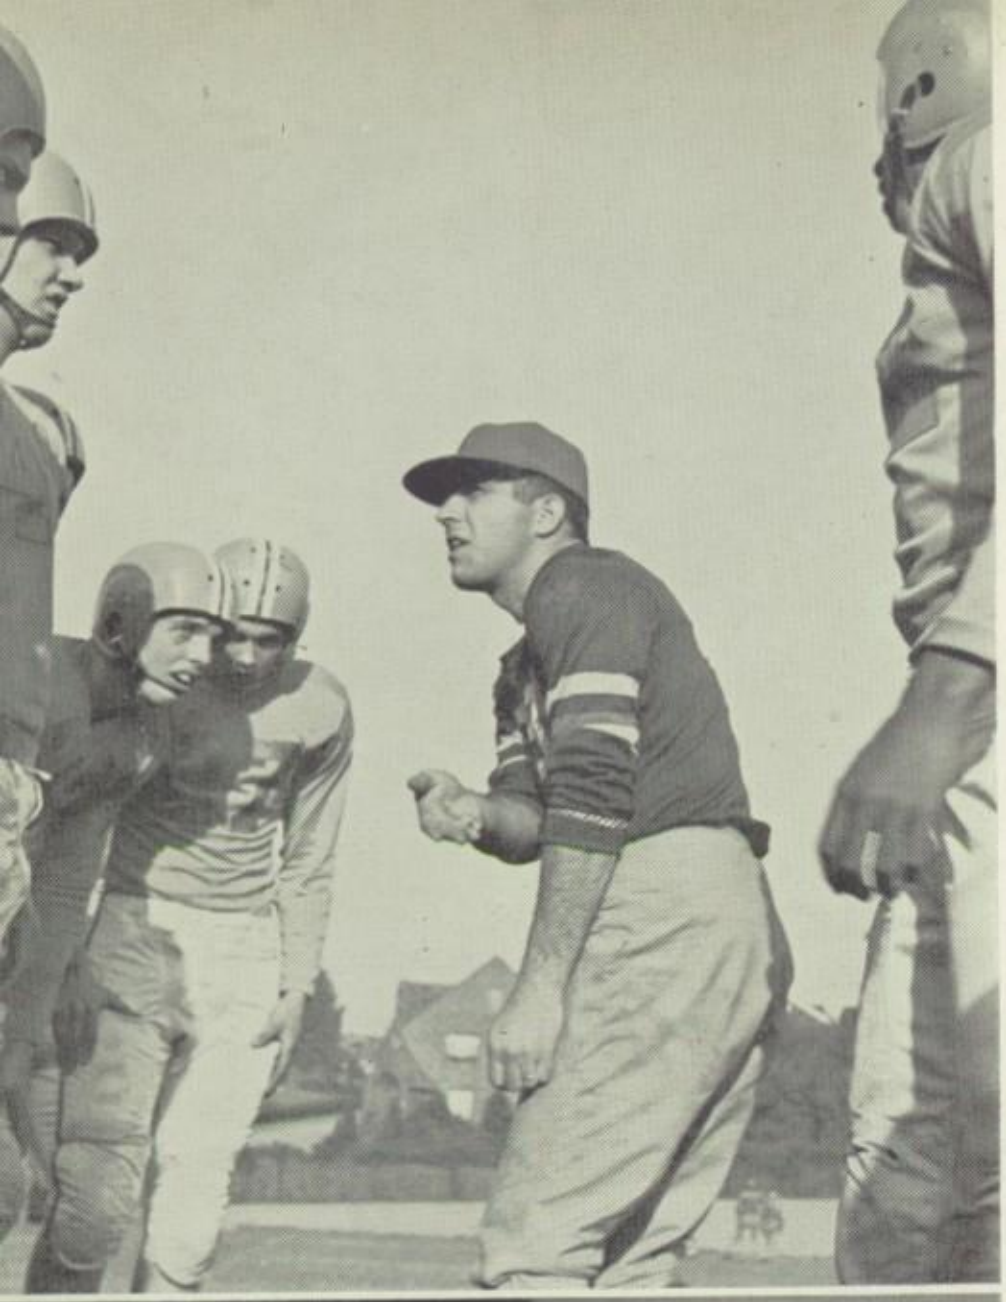
YEAR

A minute's rest.

At the sound of the chimes . . .
Can you reach it, Carmen?



C'mon boys, let's go!

Between Halves!

Our future alumni will be like thistles cast to the wind. Some will venture into college finding a happy and prosperous road to success. Some will enter our forces visiting many strange lands. Others will work in our many factories helping to turn the wheels of progress. Some will become our businessmen while still others will begin a long contented married life. Although they will be scattered in many directions, all will be seeking the path which leads to success and happiness.

Behind the scenes in every organization, there are those who are unsung and unheard. The board of education is just such a group. The civic-minded gentlemen of which it is comprised well realize that in knowledge there is power. To further the educational benefits of the students enrolled at Arnold High School is one of their main interests. The board guides the students with a patience, wisdom, and judgment that can only come from hours of careful consideration.

To them falls the task of putting together many working parts into a well-organized machine. Essentially, they are to our school as the mechanism is to a fine watch. It is they who put into the hands of our supervisors the implements to mold us into our future selves.

We, the graduating class of Arnold High School wish to express our deep appreciation to the board of education for their helpfulness in making our school one of which we can truly be proud.

Graduates of 1954:

For twelve years you have been laying the educational foundation of your life. It is hoped that you have studied much, learned well and developed certain essential skills. You should have mastered some of the principles of worthy living and democratic citizenship.

Your graduation is not in celebration of the completion of your high school days; rather, it should be the beginning of a new era for you. A dynamic life looks forward, not backward. There are many doors which will lead you to a life worthy of commendation. The knob on each of these doors is on your side—you must do the opening.

As you move forward to ever new and widening horizons, I challenge you to "make this world a bit better and more beautiful because you have lived in it."

PRINCIPAL

Your commencement marks the end of one phase of your voyage through life. You are undoubtedly eager to peer ahead, but no one can see clearly enough, or far enough, or wisely enough to discern the future. Chart your course safely!

Be not shipwrecked on the shoals of treacherous shores by false beacon-lights or by wily pilots whose only ambition is to gain by your loss, but set your compass to the proven ports.

Seek those harbors which in brief moments of history have given men, nations, and the world, peace and prosperity. These harbors are Truth, and Honor, and Freedom, and Goodwill to all the wide, wide world.

My "bon voyage" wish to you is that through you and the rest of your generation, the world may be charted anew to prosperity and peace.

ADMINISTRATION

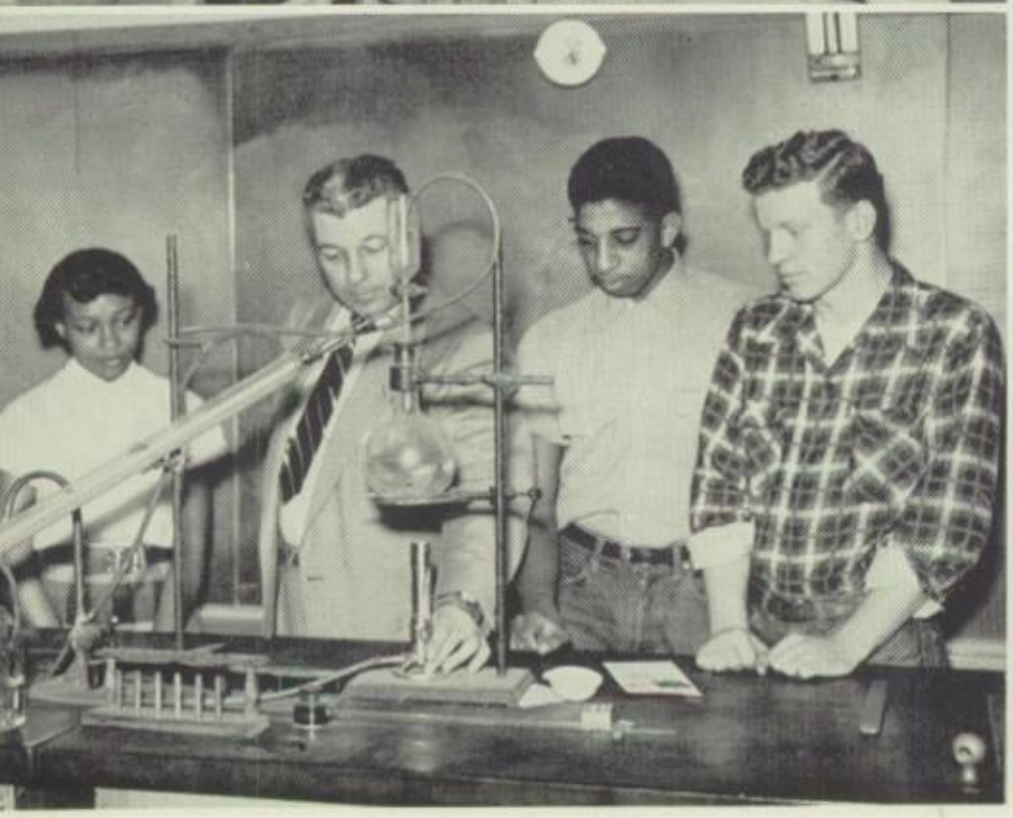
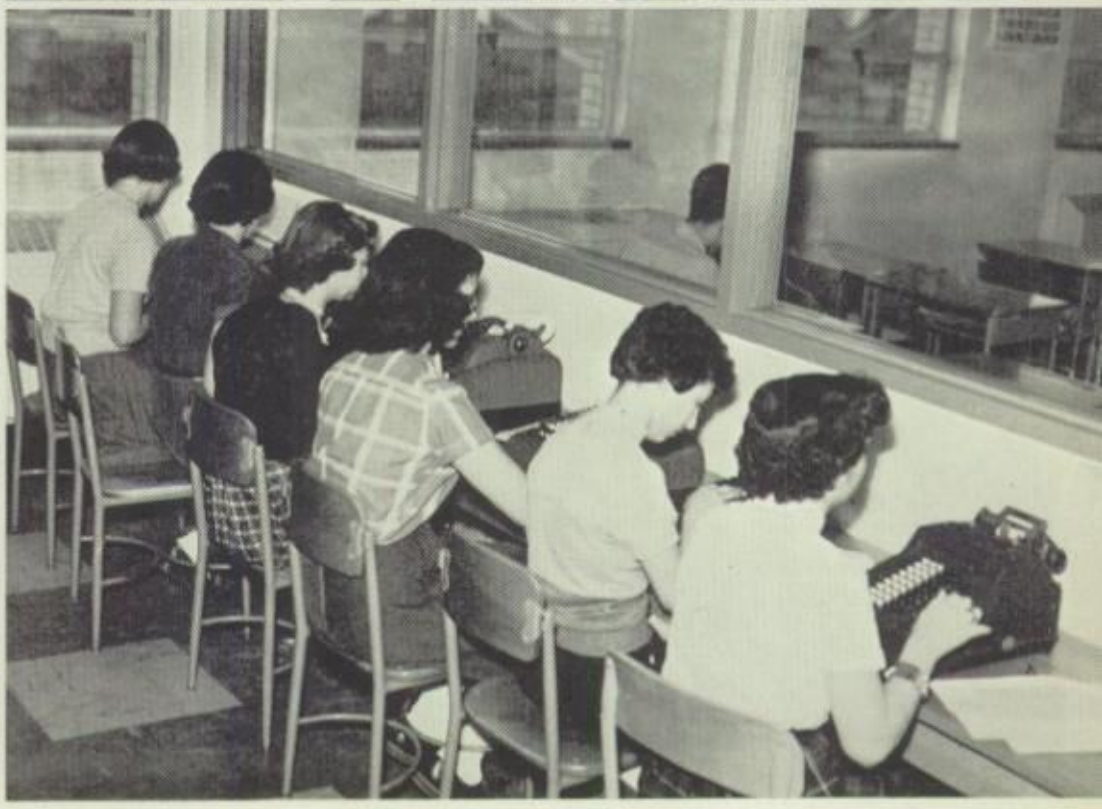
ASSISTANT PRINCIPAL

Congratulations upon the completion of this important phase of your education!

Your parents and teachers have heretofore guided most of your thinking and planning and have directed most of your activities. But when you leave Arnold High School with your diploma in your hand and a smile on your face, you will face a different world. You will be more on your own, and will do much more of your own thinking and planning, and you will have to abide by the results. As you make plans, resolve to carry them out so that you may reap the benefits and rewards that go along with success.

You can be whatever you want to be if you will work at it intelligently and long enough and hard enough.





Math sharks.
Arnold is on the air.
"Will it explode?"

All present but one?
Getting better all the time.
Will the figures check?

The months and years have rolled swiftly by and that all-important date, commencement, has arrived for one hundred fourteen young men and women. Despite the gaiety of the occasion we are constantly reminded that there is something nostalgic about the whole thing and probably, if each senior were to be absolutely honest, he would admit to acting a sentimental part.

In our senior year we presented the drama, "Magnificent Obsession," which was liked by all. The "Harvest Moon Ball" proved to be one of our best dances. At the last formal gathering as a class we enjoyed the senior banquet immensely.

As we reminisce, we are reminded that we are about to leave old friends, classmates and teachers—whose friendship we have cause to value.

Speaking for all seniors, may we express the wish that each one can go out into the world and take his place free from prejudice—free to co-operate with all people in an effort to make the world a more peaceful, harmonious, and gracious place in which to live.

Seated: R. Scherer, J. Repine, J. Guercione, R. Petri.

Standing: Mr. McLaughlin, Miss Caldwell.

THE 1954 JUNIORS

"Not done, just begun," the motto of this junior class is indeed fitting. This motto, along with the class flower, carnation, and the class colors, blue and white, was chosen this year. But the junior year included plenty of work for this class, too. During football season its members trudged tirelessly through the stadium bleachers selling refreshments. Besides selling candy bars throughout the entire year, this group sold the traditional Christmas candy at Christmas time.

During the next few months there were regular rehearsals for the junior class play. "The Brain Storm," a delightful comedy, had two evening performances and a matinee. All the efforts of the cast were well rewarded. The end of February brought the junior dance, "Mexican Shuffle." The gymnasium was completely transformed into a Mexican atmosphere, along with sombreros, gaily colored balloons, and Mexicans taking siestas.

Seven of these juniors were well rewarded for their diligent work and for their scholastic ability by membership in the "National Honor Society."

All this time these juniors had been working toward a successful prom. Their prom theme "Stairway to the Stars" was carried out very appropriately as a perfect climax to this action packed year. Everyone had a very enjoyable evening whirling around the floor to the captivating rhythm of "Tommy Carlyn and his orchestra."

This year's sophomore class, the largest in the history of Arnold High School, has completed many projects in order to achieve their goal, the Junior Prom of 1955. Among these projects were a cookie sale, a skate, and their class dance, the "Cinderella Ball." Held on March 26, it used as its theme, the fairy tale Cinderella.

A contest was held to determine who would reign as Cinderella. Votes were determined by the amount of money a girl had collected within a certain length of time. Prince Charming was chosen as Cinderella's escort for the evening. Jitterburg and polka contests were held, with Cinderella as judge. Adorning the gym were many artistic decorations including scenes depicting the story of Cinderella, a large castle, and a scene from the fairy tale. The large number of persons present attributed to the fact that the dance was an outstanding success.

A marked turnout complicated the sophomores on their choice of a skate as a class project. Amidst a whirl of colorful skirts, tranquil music, and numerous spills, the students experienced a delightful evening.

The cookie sale held during April featured various varieties of appetizing cookies. These were contributed by members of the sophomore class.

Due to the excellent counsel of our worthy class advisors these plans became successful affairs.

THE 1954 FRESHMEN

A large enthusiastic freshman group started this term full of anxiety, looking forward to a successful year of hard work as well as pleasure. Since the ninth year brings new responsibilities to the students, they quickly organized themselves. The students' main task is to begin a treasury which will be used in the future for the junior-senior prom.

They got off to a good start by surpassing the goal set for their magazine campaign. The Frosh were given small gifts and daily treats for their salesmanship ability. An enjoyable dance marked the close of the campaign.

With the aid of the campaign the treasury started to grow and the Frosh eagerly began to make plans for the annual Freshman Class Dance under the direction of their class officers and their able class advisors. Highly successful, the May dance was enjoyed by all. This activity closed the list of activities for the year.

The end of a successful year had come and with it memories that would never be forgotten. As sophomores, they will look forward to another successful year.

THE 1954 GRADES

Every football and basketball game is jam-packed with our seventh and eighth graders. Winning or losing, they are always behind the team. Their enthusiastic cheers are heard above all the others.

This junior high school group has a fine football and basketball team of their own. These teams are made up of boys who have passed certain requirements which enable them to participate in athletics. At the end of the season, the final results showed fine prospects for our future varsity squads.

The Christmas season is the time of the year when the individual home rooms show what artistic ability they possess. Every room is gayly decorated with pine trees and Christmas ornaments. An afternoon is set aside for the party, with gifts for all. Christmas in the grades is truly a time of fun.

Any activity held by senior high is well attended by these students. The class dances would not be successful without the help and support from these students. They can always be seen buying candy from a junior class member to help support the junior-senior prom.

A number of dances were held during the year by these young students. We are proud to have such a fine group of students in our junior high.

STUDENT COUNCIL

The Student Council, composed of nineteen home room representatives and twelve members at large, constitutes the governing body of our school.

In an attempt to minimize school problems the council has set up the "Student Court" which tries and punishes violators of council laws.

Throughout the year this assembly sold pencils, combs and license plates. For Christmas it held a dance for the entire student body.

BROADCASTER

Headlines, by-lines, and ad-lines, cry out their messages across the pages of the Broadcaster. In this school paper the members of the '53-'54 journalism class exhibited their ability to accept responsibility, work independently, and produce effectively. Aiming toward a closer student-teacher relationship, they are constantly striving to better their school paper. To test the acceptability of each issue the class adopted the motto, "Lively, Legible, and Lovely."

NATIONAL HONOR SOCIETY

Candidates for the National Honor Society are chosen from the standpoint of four basic requirements. Students are carefully considered on each of these points. Possessing first place on this list is scholarship. While only pupils attaining a scholarship rank in the first third of their respective classes are eligible no more than fifteen per cent of any graduating class may be selected for the society. Service holds second place on this list of requisites. Students selected for this honor must be beneficial to the school. The third requirement, leadership, means these students must have the ability to guide the rest of the student body along the right path. Last, but certainly not least, these pupils must be of a sound, clear-cut character.

This year the honor of being selected for this society was bestowed upon fourteen seniors and seven juniors. All of these students participate in numerous other school activities.

These honor students have set up great goals for themselves and only they can make sure these goals are achieved.

SENIOR CHOIR

This year the Senior Choir launched a campaign of activities unequaled in previous years. Practicing every morning during the fourth period, under the able direction of Miss D. Ferrante, they prepared for their first endeavor, a Christmas program which proved to be thoroughly enjoyable. For the first time, our choral group took part in the county, district, and state choruses. Diane Mitchell, Robert DeValeria, Vincent Chine, and Ted Lopushinsky were delegates from Arnold. In the future, there is a possibility that one of the concerts may be held at Arnold, and the choir is looking forward to this. In January, the choir sponsored a dance "Rhapsody in Blue," but their greatest achievement was yet to come. The interest of everyone was with the choir when on March 19 they presented their minstrel show, a brand new attraction. The climax of this active year came with the annual spring concert, held in April, and as customary, the choir sang at baccalaureate. We take our hats off to the senior choir for a truly successful year.

JUNIOR CHOIR

Under the capable direction of Miss Dorothy E. Ferrante, the Junior High School Choir presented an outstanding Christmas program. Many long hours of practice and patient directing were evident in the Choir's beautiful Christmas pageant. As the choir sang the traditional carols, small groups of choir members in full costume depicted a scene from each song. Among the selections were such favorites as "While Shepherds Watched Their Flocks by Night," and "O Little Town of Bethlehem." After tucking this feather in their cap, the choir went on to prepare exchange programs with neighboring schools, a project which proved to be very successful. In the latter part of the year the choral group became occupied with rehearsals for the annual Spring concert, to be held in April. They practiced their numbers again and again until at last they were perfected. Finally, having made careful preparation, they gave their concert, thus successfully completing their activities for the year.

Best of Luck Ronnie"

To boost school spirit or just fine music, the band plays on.

Dressed in their gay-colored uniforms of orange and blue, the Arnold High School Band and Majorettes have achieved the title of "tops" in the valley. No school would be complete without this colorful organization. They have proved popularity by their outstanding performances at the football games this past season. Many basketball games were also filled with enthusiasm as the band played marches and popular music.

The band and majorettes are well-known for their originality. Among their top performances due to diligent practice were, "Mexican Hat Dance," "Dragnet," "Organ-Grinder Swing," and the popular jazz hit, "Crazy Man Crazy."

Adding to the attraction of the routines was our little mascot, Rhelda Synder, displaying her talents. The head majorette, Joyce Moresi, and the three leads, Sue Hess, Mary Ellen Johnston, and Barbara Gigler, also put on good performances.

Mr. Moses, the director of this group, certainly has done an excellent job in training them. Preparing the group for events as the band festival and the spring concert is a difficult job. Along with his fine work, credit should go to Carolyn Peters, the drum majorette.

Our band also participated in a combined band concert of schools in this locality. The concert was climaxed by a snappy routine by the lead majorettes of each school. They have always received a hearty welcome and many fine compliments wherever they have performed.

Till I waltz again with you.

THE PROM

Hard labor reaps

For the first time the Junior-Senior Prom was held in the beautifully decorated Orchard Avenue Gym. A large crowd gathered outside the gym to watch the girls who were attired in long flowing evening gowns being escorted into the dance by the boys in handsome white dinner jackets.

The gym was decorated to represent an ancient Chinese garden. In the center of the floor was a large pagoda which was decorated with multi-colored pom-poms and orchids. A false ceiling was created by stringing alternating red and yellow streamers from the center of the ceiling to the walls. Gayly colored Chinese lanterns hung along the walls and on the corners of the pagoda. At one end of the gym stood a brightly colored blue and white punch stand with the inscription "Prom of 53." The punch stand was visited frequently by the couples during the night.

The couples shuffled across the floor to the soft and dreamy music of Tommy Paine. At one o'clock a meal consisting of turkey with all the trimmings was served by the members of the Tri-Hi-Y.

Thus with a few strokes of the clock the 1953 Junior-Senior Prom came to an end.

CHEERLEADERS

The spirit behind our team.

Seven flashing smiles, gleaming white sweaters above royal blue skirts represent the Arnold High School cheerleaders. This group comprised of peppy seniors, juniors, and sophomores is a very vital organization during our athletic season. Theirs is the responsibility of successfully enstilling vigor and vim into our home team rooters. Equally staunch supporters of the football and basketball squads, their winning personalities are welcomed everywhere.

They are rarely mentioned on the sports pages, but they deserve an honorable mention. Whether on foreign field or floor, home gridiron or court our cheerleaders are always ready to lead a hearty cheer for the support of our team. Due largely to the presence of these seven energetic girls, no place we visited seemed entirely strange to team or student.

To our enthusiastic cheerleaders and their advisor, Miss Margaret Morrison, the entire student body is indebted.

Trouble ahead!

FOOTBALL

Good sportsmanship is the test of the gridiron.

The experienced tutoring of Coach Alex Tannas and his assistants, Mario Peretti and Frank Martin, created the scrappy, talented gridiron unit which took the field for Arnold High School in 1953. Working diligently at their camp in Jennerstown, Pennsylvania, for two weeks, the boys became a fit, determined squad, one which was ready for all comers.

This aggressiveness earned for the Tannasmen highly prized victories over West Deer, Tarentum, Brentwood, and Plum Township, while six other Oakmont, Freeport, Springdale, Ford City, Hampton, and West View, had to go all out to stop the Lions.

The two losses to Springdale and Ford City were discouraging, but the conquering of arch-rival West Deer and the crushing of the Tarentum Redcats, another ancient foe, and Brentwood on successive weekends proved to be the high spots of the 1953 gridiron campaign. Stinging from a loss to Freeport, the Lions rolled over Tarentum's squad, 25-6, before a large home crowd. The following Friday, the Tannasmen smothered Brentwood, 25-0, at Brentwood.

Late in the season, the Lions journeyed to Plum Twp. to capture a hard fought 6-0 decision from the Mustangs. Two more games with Hampton and West View rang down the curtain for the 1953 season, and Arnold followers were delighted to learn that John Guercione, rugged senior guard, had been voted the team's most valuable player and that Ron Wagner and Steve Sukala had been chosen for the All-AKV Conference team.

Climaxing their high school careers were such outstanding senior stars as R. Wagner, J. Guercione, R. Stuart, F. Pallone, R. Caporali, J. Czemerda, L. Marchiol, J. Krnacik, and B. Getz.

JUNIOR VARSITY

If Arnold's future in football can be determined by the performance of this year's JV squad, the prospects are bright, to say the least. The little Lions, under the experienced coaching of Mario Peretti, rolled to an undefeated season, displaying unmatched aggressiveness in their contests. Coach Peretti has done an excellent job in developing Arnold's future gridiron material. They're scrappy, determined and talented. Keep your eye on them!

JUNIOR HIGH

Our Junior High Football team, which has been coached by Mr. Mario Peretti for several seasons, is the foundation to a strong varsity team. Each day of their training consists of a rigid routine of fundamentals. Although these boys didn't participate in any games this season, the training they received will enable them to become one of our future varsity teams.

First Row: Mr. L. F. McGuire, Coach, R. Terlinski, R. Stuart, N. Cignetti, T. Saska, J. Zamperini, Mr. R. M. Terlinski, Assistant Coach.

BASKETBALL

Head Coach, L. McGuire
Assistant Coach, R. Terlinski

The 1953-54 edition of Arnold's basketball squad brought a fourth straight WPIAL section title to our school. Coach McGuire's fighting squad engaged in a hot struggle for the Section 12 crown throughout the entire season, the outcome being decided only after Arnold had beaten the Tarentum High Redcats late in the second half of the league campaign. Opening defeats at the hands of Ken Hi and Homestead were followed by four convincing victories. After a second loss to Ken Hi, the Lions settled down to take the coveted section crown. Only Tarentum and West Deer were able to defeat the McGuiremen during league play. Upon capturing the 12-A title, the Lions were pitted against Monessen, Section 6 victor, in a first round elimination game. However, superior height and speed, along with unfailing accuracy by the Greyhounds, proved too much for the Lions, who dropped the contest 58-45.

BASEBALL

The diamond sets the scene for fine playing.

Diamonds are a school's best friend was the cry through the halls of Arnold High School as the '53 baseball squad completes another successful season. Highlighting the season were wins over Har Brack, Tarentum and East Deer. Most impressive of their wins was the 12 to 4 massacre of the Tarentum Redcats. The Lions then went on to defeat the championship Har Brack Tiger team in a close hard fought game by a 2 to 1 tally. The fact that all the ball players on the current squad are juniors has to an extent insured Arnold High School and Coach O. Phillips of another stellar ball club.

The Lion's Tennis Team under the coaching of George C. McLaughlin fared well during the "53" season. Hampered by the loss of experienced players through graduation, the Arnold team managed to upset a highly touted Kiski Prep squad. The McLaughlin men then threw a scare into the Latrobe netmen who were previously the state champions.

THE ARNOLD LIONS

CODE OF ETHICS

To show my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

To seek success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self respect lost because of unfair advantage taken or because of questionable acts on my part.

To remember that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

Whenever a doubt arises as to the right or ethics of my position or action towards my fellow man, to resolve such doubt against myself.

To hold friendship as an end and not a means—To hold that true friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

Always to bear in mind my obligations as a citizen to my nation, my state, and my community, and to give to them my unswerving loyalty in work, act, and deed. To give them freely of my time, labor, and means.

To aid my fellow man by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

To be careful with my criticisms and liberal with my praise, to build up and not destroy.
